COURSE OVERVIEW

Meet your instructor

My name is Ron Endley and I will be your instructor for this course.

I grew up on a farm in the Eastern Cape and consequently have enjoyed the lifelong privilege of being able to speak isiXhosa. I have a Master's degree in isiXhosa and professionally have been a high school teacher and lecturer at the Nelson Mandela University for more than forty years.

Developments in technology have enabled me to develop my passion for new modes of delivery and promoting the learning of this beautiful language.
